PROFILE

I trained as a Diseñador de Imagen y Sonido wanting to dedicate to animation and motion graphics. From my work experiences, I began to work in graphic & audiovisual design for social media. Later i knew the UX/UI design world. I found a place where I can design in a user perspective.

EDUCATION

○ 2021 - PRESENT

Universidad Tecnológica Nacional

Diplomatura en Accesibilidad y Usabilidad

○ 2013 - 2019

Universidad de Buenos Aires

Diseñador de Imagen y Sonido

COURSES

○ 2022

Comfy Language

IT roadmap B1, English.

○ 2018 - 2020

Coder House

UX/UI course

UX Writing course

Web development course

Programming course

EXPERIENCE

○ 03/2021 - PRESENT

Product Designer at Banco Galicia

I'm Product Designer in Galicia's design team.

I'm responsable of all the user's benefits, from promotions webs to Quiero! fidelity program.

○ 06/2021 - PRESENT

UX/UI Professor at Coder House

I love to teach and help new designers!

I'm teaching UX/UI online course for 120 students.

○ 08/2020 - 03/2021

UX/UI Designer at BP4

I worked in a software factory as a UX/UI Designer.

I design dashboards for web apps and hybrid mobile apps, from the research in the beginning of the project to the end, delivering high fidelity prototypes.

○ 02/2020 - PRESENT

Product Designer en GorillaSite

Nowadays, i'm a consultant in Gorillasite to improve and design our own product, a headless CMS.

Also, I work in freelance projects, UX/UI web apps and web pages's redesign.
